

San Diego Forward: The 2019-2050 Regional Plan Community Based Organizations (CBO) Outreach Network

To reach out to community members who have traditionally been underserved and underrepresented in the planning process, SANDAG partnered with 13 Community Based Organizations from around the region. These organizations have created programs to engage stakeholders from low-income communities, limited-English speaking populations, the disabled community, and seniors to ensure that their voices are heard and that the 2019 Regional Plan is socially equitable.

Casa Familiar – Casa Familiar was founded in 1973 and is a 501(c)(3), community-based organization dedicated to serving residents in South San Diego County. Originally organized in 1968 under the name Trabajadores de la Raza, Casa Familiar has grown from existing solely to serve Spanish-speaking clients in the community of San Ysidro, to include services and programs for all of South San Diego's residents. Casa provides over forty programs spanning a variety of areas addressing vital economic and community development issues.
